CONGRESSIONAL RECORD VOTE CORRECTIONS

The following are corrections in the official outcome of votes taken during the second session of the 93rd Congress.

The lists are subdivided into "Vote Corrections" and "Stand or Announcement Changes." The former involve adjustment of the "Yea's" and "Nays" in the breakdown on Congressional Quarterly vote charts; the latter to not affect the breakdown.

The *Congressional Record* vote corrections listed below were insted in the *Record* too late for CQ to include on current Weekly Report vote charts; Weekly Report pages where these votes may be found are indicated so that you may bring your Weekly Report file into conformity with the *Record*.

Corrections indicated with an asterisk (*) and those below the triple spacing are new listings subsequent to the CQ index of Oct. 19.

Symbols used in these vote corrections:

Y—Yea	AY—Announced For
N—Nay	AN—Announced Against
A—Absent	PY—Paired For
●—Voted "Present" to avoid possible conflict of interest.	PN—Paired Against
	P—Voted "Present"

In correcting CQ vote charts, see key on chart for appropriate symbols.
